

Similar to 3M's Nomad 8100 (unbacked) and 8150 (backed), Soba Plus mats combines great looking form with heavy duty functionality. It's vinyl loop construction traps dirt and water below the surface so that it is not tracked into a house or building.

- **Vinyl loop construction** scrapes dirt and water
- **No backing** allows water to pass through for a quick drying mat.
- **Great for recessed wells**
- **High profile edging** available
- **Fast drying** and resists mildew
- **Available with backing**
