

Similar to 3M's Nomad 6050, Soba matting is excellent for functional logo matting. It's unique vinyl loop construction traps dirt and water low so that it is not tracked into a building. Vibrant colors are used to create durable and exciting inlaid logos.

- Vinyl loop construction scrapes and traps dirt and water
- Vinyl backing protects flooring
- Vibrant colors for logos
- Medium profile edging available
- Fast drying and resists mildew
- Available without backing
